

## Paul Harding Junior High

# 7th Grade Band News:

- 7th grade students have been learning about band instruments and diving into music making. We will continue to do this for the next two weeks. We will begin playing instruments September 10th.
- Mynett Music company will be at Paul Harding from **5-7pm on September 10th** to help students try instruments and begin instrument rentals. *If you are able, I highly recommend renting an instrument from Mynett.* Monthly rentals range from \$20-\$40.
- Renting from Mynett is beneficial in two ways: 1) Paul Harding owns a limited supply of instrument, so your student can play their first choice instrument and allow others to be in band and use school instruments. 2) Your student will be playing on a high quality instrument and will have a smoother time learning.
- The first 7th grade band concert will be **October 15th right after school**. This concert will be a "Standing Concert." This means that students can just wear their school clothes, the concert will be held in the Band Room, it will show what a typical band rehearsal looks like, and will take only about 20-30 minutes. Parents/guardians, teachers, and non-band students are all invited to attend.
